WITHOUT LOVE I AM NOTHING

Print one copy of each page on regular copy paper. This page is the title page. Make a layered book with the rest of the pages. After the layered book is made, cut these labels apart and glue them in place on the ends of the pages. The student will lift the flap and copy the passage in the space provided. This book works backwards. The first three verses are on the far right and progresses towards the left. Make sure the students copy it in the correct order.

When I was a child, I
spoke as a child, I
understood as a child,
I thought as a child;
but when I became a
man, I put away
childish things.

For now we see in a
mirror, dimly, but
then face to face.

Now I know in part,
but then I shall know
just as I also am
known.
