

ACTS Chapters 15-22

ACTS Chapters 23-28

Print one copy of covers for each child. Print 7 copies of inside page (2nd page) for every child. Print one copy of picture page for every child. Fold each of the inside pages in half horizontally and then vertically, creating a booklet. Cut down the center of the top half to the horizontal fold. Glue the back of this page to the front of the next until you have a stack of 4 glued booklets and another stack of 3 glued booklets. Glue the cover for Chapters 15-22 on top of the one with 4 booklets and the covers for chapters 23-28 on the top of the one with 3 booklets. Trim about 1/4" off the right side and bottom of finished books. Glue in place on project folder. Cut apart pictures and place in an envelope for each child. Student will glue picture on front flap, lift the flap and write what the chapter was about and draw a picture of the event in the frame.
