

Psalm 139:14

I will praise You, for I am
fearfully and wonderfully
made.

Copy both pages on regular copy paper.
These pictures are to be glued to the other
one so don't copy them back to back. You
will get 2 copies of activity with these pages.

Cut activities apart on other page. The
printed side is the inside of the booklet. Fold
both sides in to meet in the middle. This will
create a shutter book.

Using Elmer's glue or something similar (not
a glue stick) make a thin line of glue around
4 sides of both flaps. Place picture cover
carefully on top and allow to dry. After
drying, use scissor to cut up the middle of
cover picture.

During class, help the students answer the
questions, weigh them, measure them and
let them draw a picture of their beautiful
selves.

When I did these in class, I used pictures of
the kids in place of the pictures found on
these cover pictures. I'm including blank
cover pictures in this file for those that would
prefer to do that.
