

Jesus Heals the Blind Man

Jesus saw a blind man. This man had been blind from the time he was a baby. Jesus made some mud with dirt and some of his saliva. He put the mud on the blind man's eyes.

Jesus told the blind man to wash it off. When the blind man washed, he could see. Jesus made the blind man see.

John 9:1-12

Print both pages on cardstock. Cut out eyes and mouth on face. Cut a half moon out shape on right hand side of main page for thumb. This will help child find the slide. Cut out slide below on solid lines. Laminate slide. Cut a sheet of cardstock in half. Glue to the back of the face leaving the right side open. Insert slide in to see man's eyes with mud and man's eyes wide open.
