

su savig alt that hour os su savol bod

Print on white copy paper. Fold horizontally. Fold vertically. You should have a small booklet. Cut up the middle of the inside page between the physical and spiritual blessings.

During class, after discussing the physical and spiritual blessings' given to us by God, the students can either write descriptions of the blessings or draw a picture of the blessings under the appropriate flap.

Send activity home after class or glue in the project folder.
