

# Parable of the Good/Bad Fish

Matthew 13:47-52

Jesus taught about fishermen. Jesus said that the fishermen caught a bunch of fish in a net. When they got to shore, they separated the good fish from the bad fish. The good fish went in one bucket and the bad fish they threw away.

Copy these fish and buckets on cardstock. Glue sides and bottom of bucket to end of the "road" on popup page. This will create 2 pockets (good fish/bad fish). Cut out fish and place in netting that is glued to boat (3 sides). Let children separate fish into good bucket and bad bucket.
