God's Plan of Salvation

This book was made by:

God wants me to **HEAR** His word.

So faith comes by hearing, and hearing by the
word of Christ. **Romans 10:17**

God wants
me to
BELIEVE
in Jesus.

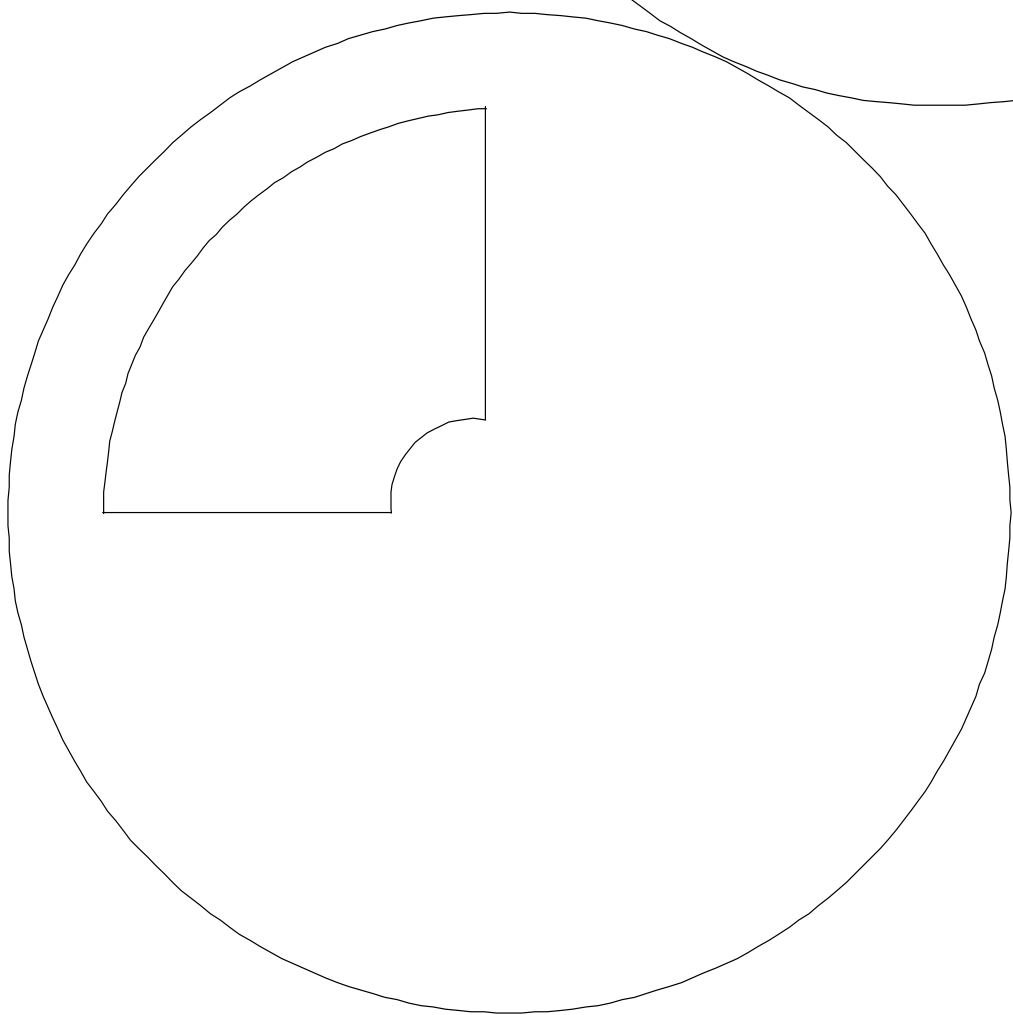

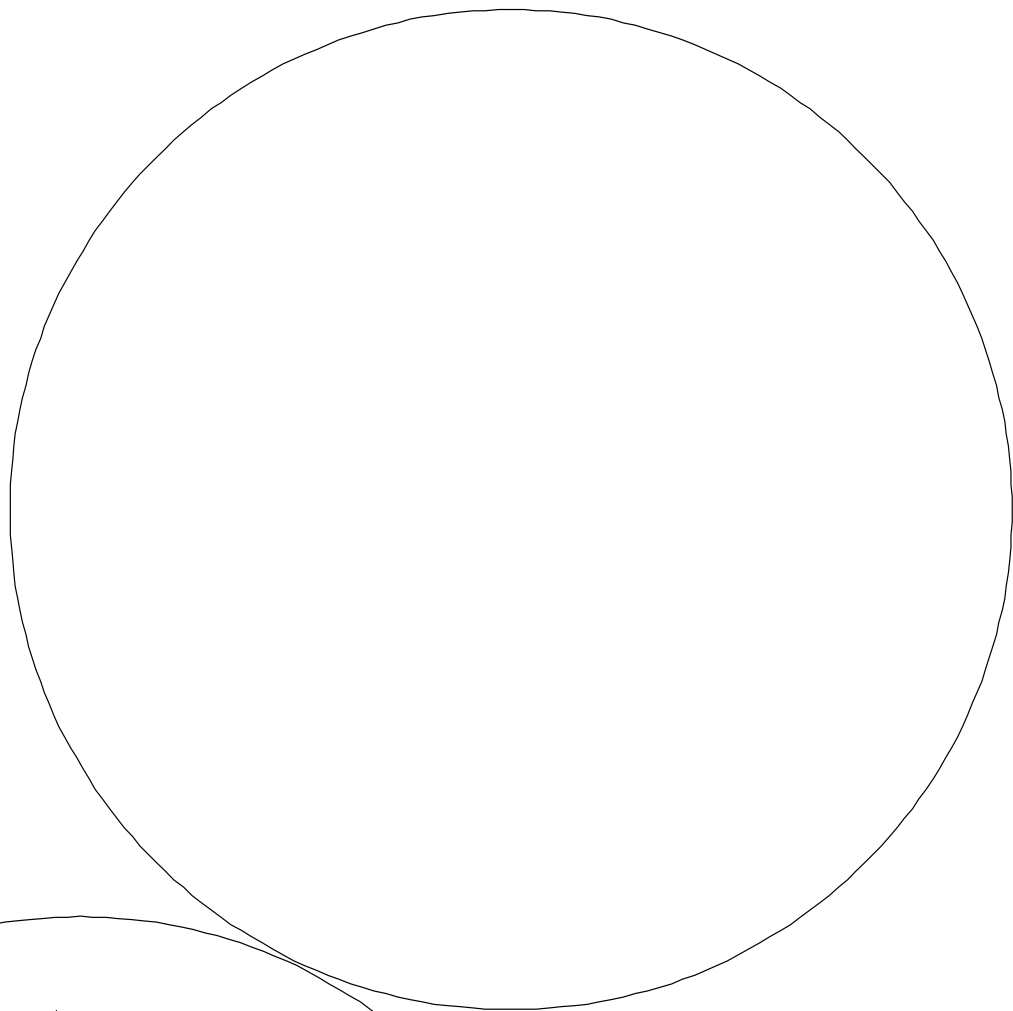

He that believes and is baptized shall be saved; but he
that does not believe shall be condemned.* *

Mark 16:16

Jesus died for our sins.
He was buried for 3 days.
He was raised from the dead.
He ascended into Heaven.

Print believe page and circle page on cardstock. Print this page on regular copy paper. Cut out circles. Cut window out of top circle. Attach circle with window to bottom circle with a brad. Glue bottom circle to right side of believe page. Cut out pictures. Be sure to trim each picture very close. You may even have to trim some of the picture away. During class, help students glue pictures under window as window moves from 12:00 to 3:00 to 6:00 to 9:00.

God wants me to **REPENT** of my sins.

When I do wrong,
My heart is hard.

When I am sorry (or repent),
my heart is soft.

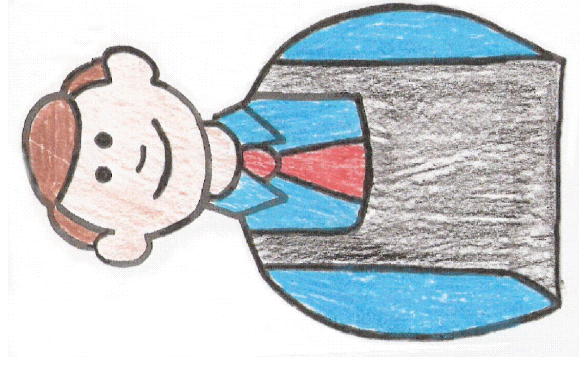

I tell you, No: but, except you repent, you shall all in like manner
perish. Luke 13:3

God wants me to **CONFESS** my faith in Jesus.

I will tell my friends about Jesus.

Every one therefore who shall confess me before men,
him will I also confess before my Father
who is in heaven. Matthew 10:32,33

God wants
me to be
BAPTIZED
to wash away
my sins.

And Peter said unto them, Repent ye, and be baptized every one of you in the name of Jesus Christ unto the remission of your sins...
Acts 2:38

Copy baptism page and this page on cardstock. Cut a piece of light blue cardstock to fit right hand side of baptism page from bottom to just above the baptizer's waist. Make the top part scalloped like water. Glue water to right hand side of baptism page leaving the top and bottom open. The left hand side of the bottom can be glued also, but make sure there is room for the person to be baptized. Cut out people and let students color. Help student brad his person underneath water to the right of baptizer. The brad should go in the center of the circle and should allow the student to rotate the circle to baptize the person completely.
