

Adam and Eve

Diana Dow

1. Oh where, oh where, is A - dam and Eve. Oh
2. God looked a - round for A - dam and Eve. He
3. When we do wrong it makes us a - fraid. So

where, oh where did they go? They dis - o - beyed God and
knew that they dis - o - beyed. They hid them-selves so that
some - times we try to hide. But God al - ways knows just

ate of the tree. They should -'ve just said, "no".
God could not see. They sinned and were a - shamed.
what we have done. It does no good to hide.
