

I Am...

Diana Dow

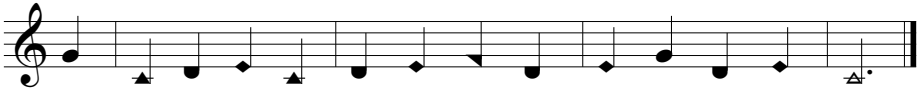

1. I want to know who Je - sus is so would you please tell me.
2. I am the vine that holds you up so you can bear me fruit.
3. I am the shep - herd of my sheep and all my sheep love me.

Let's look in - to the Bi - ble, it's there for us to read.
I am the light of all the world that lights the way for you.
I am the way, the truth, the life to heav'n you go through me.

The book of John says quite a bit a - bout who Je - sus is.
I am the door that let's you in but keeps the bad guy out.
Then Je - sus tells us one more thing a - bout just who He is.

Now, lis - ten ve - ry care - ful - ly to what our Je - sus says.
I am the bread of life so you will nev - er hung - er now.
I am the re - sur - rec - tion, con - quered death so you could live.
