1. Have you seen a rain - bow in the sky?  
2. God told No - ah, "Take a look up high.  
3. Well, the rain - bow tells us of God's love.

Have you e - ver won - dered why, oh why?  
At the rain - bow I put in the sky.  
He wants us to think of Him a - bove.

Af - ter rain the sun - shines bright. There's a rain - bow what a sight.  
You o - beyed and built the ark for gir - affes and for aard - varks  
It's a sign to me and you that His prom - i - ses come true.

Why'd God put a rain - bow in the sky?  
and I put a rain - bow in the sky."  
So He put a rain - bow in the sky.
