Diana Dow

1. Be - hold the days are com - ing says the Lord,
2. Four hun - dred years of si - lence from the Lord.

When I will send a fam - ine on the land.
It was a fam - ine, a fam - ine of words.

There will be food for you to eat;
They all were filled with food and drink;

And wa - ter for you to drink;
But it was worse than you think;

But you will hung - er for the words of the Lord.
For they were hung - ry for the words of the Lord.
